

Compact with Many Choices

Wash Me **EXPRESS** offers functions in a compact way. This multi-purpose unit has many selections including drop tire air.

- ♦ *Soap, Rinse & Wax* -- High-pressure wash provides up to 4 gallons per minute (gpm) at 1700 psi.
- ♦ *Foam Brush* -- Air-operated diaphragm pump provides consistent lustrous foam to scrub away persistent road film with soft hog's hair bristles.
- ♦ *Tire Air* -- 1/2 hp air compressor provides pressurized air for the foam brush and tire inflation station. The safety pressure regulator is preset to 50 psi to provide ample flow for safe tire inflation.

Other Options:

- Tire Cleaner
- Air Dry
- Presoak
- Fragrances
- Bug-off
- Carpet Shampoo

Dimensions

Clearly designed to fit anywhere, the stainless steel box (36" d x 44" w x 55" h) is corrosion resistant in all weather conditions.

Wash Me **EXPRESS** (as pictured) with the standard high pressure Trigger Gun, Foam Brush and Tire Air hoses is 48" deep x 62" wide x 64" tall.

Simple Start-up

Standard activation is by **WIRELESS credit card acceptance** with no money in the unit. Start-up alternatives include: Bill Acceptance & Electronic Coin Acceptance with Coin or Floor Vault
